## EVACUATION ALERT

**Saturday, September 13, 2025 at 9:15 p.m.**

An **Evacuation Alert** has been issued by Xeni Gwet'in First Nation Government, Tsilhqot'in National Government, and the Cariboo Regional District. This precaution is due to the risk of Taseko Lake Road being compromised. At this time, the fire is not a direct threat to the Xeni Gwet'in community itself, except for possible impacts to road access.

The Evacuation Alert is for the following areas:

#### See attached map

An Evacuation Alert has been issued to prepare you to evacuate your premises or property should it be required. Residents will be given as much advance notice as possible prior to evacuation; however, you may receive limited notice due to changing conditions.

#### WHAT YOU SHOULD DO

- Have a plan to transport all family members should the area be brought under evacuation order. Fill the gas tanks of personal vehicles.
- Keep essential items such as medications, eyeglasses, government-issued ID, valuable documents, immediate care needs for dependents or pets and, if you choose, keepsakes, readily available for a quick departure.
- Prepare to move disabled persons, children, and/or neighbours, if assistance is needed.
- Prepare to move pets and livestock to a safe area.
- Arrange accommodation options for your family, if possible.
- Check with your insurer to determine what may be available to you - homeowner or tenant insurance may provide greater support than the Emergency Support Services program.
- Monitor reliable news sources for information on evacuation orders and locations of Reception Centers and the CRD's channels on Facebook

- Self-register for Emergency Support Services on the Evacuee Registration & Assistance (ERA) tool at <https://ess.gov.bc.ca/>
